**Christmas with Adele - November 15**

November 15, 2023 (Los Angeles, California) - Adele will release "*Christmas With Adele*," her first-ever Christmas album, on November 15, 2022, streaming on all platforms. The award-winning singer/songwriter will release her new and very different album, "Christmas With Adele," out November 15, 2023, pacific standard time via Columbia Records U.K.

The release of "Christmas with Adele" follows the enormous success of her album "30," in that she was the only artist to exceed 1 million copies last year. Easy on me came out on October 15, 2021. The following week, it leaped to number one on the Hot 100, becoming Adele's fifth chart-topping single and her first since "Hello" in 2015. Easy on me hit its ten-week mark on Billboard's hot 100.

Christmas with Adele is something that Adele has not come out with before. She is used to coming out with songs that are personal to her and have a deep-rooted meaning behind them. The fun and heartwarming holiday album that will give you holiday feels is something new. Her fans will get a completely different and creative side to her music.

"It's something I've never done before; it's almost refreshing to make something completely different music-wise," said Adele

Produced by Greg Kurstin, Max Martin, and Shellback, New collaborators included Ludwig Göransson and Inflo of English band Sault. Tobias Jesso Jr. This month, Adele will hit the road with four shows. One in the U.K., L.A., New York, and Ontario. The album will have a total of 5 songs with two featured artists: Sam Smith and Jessie J. This month, Adele will hit the road with four shows throughout December. The shows will be in the U.K., L.A., New York, and Ontario.
